

**Prof. Jorge Casilla**

PhD Associate Professor Dept. Computer Science and Artificial Intelligence  
University of Granada

Doctor in Computer Science and professor of artificial intelligence at the University of Granada, where he teaches data science, machine learning, business intelligence, control and robotics. He is the author of more than 100 scientific publications in these fields. He has participated in numerous national and European R&D projects. The last one of the H2020 that he coordinated was about the modeling of energy efficiency in hospital centers. He has been a member of the expert panel of European projects CHIST-ERA 2018 on big data and he is a regular evaluator of R+D+i business projects.
